**Hort
Innovation**
Strategic levy investment

**AVOCADO
FUND**

This event is part of the strategic levy investment project, Avocado industry development and extension (AV17005). This project has been funded by Hort Innovation, using the Hort Innovation avocado research and development levy, co-investment from the Queensland Department of Agriculture and Fisheries, and contributions from the Australian Government. Hort Innovation is the grower-owned, not-for-profit research and development corporation for Australian horticulture.

MANAGEMENT TOPICS WILL INCLUDE

Planting
Rootstocks
Mulching
Irrigation

Nutrition
Root rot
Other diseases
Pollination

Pests
Pruning
Harvesting
The BPR

Should I attend?

This practical, fun hands-on workshop tackles the essentials of growing good quality fruit, and is tailored toward new growers, resellers, farm supervisors and farm managers.

Will we be in the field?

Morning sessions will be held in the Charles Room at DAF Mareeba (28 Peters Street), with practical afternoon sessions at local orchards.

Places are limited!

To ensure everyone gets the most of this workshop, places are strictly limited to 40 participants. Applicants will be notified about their places by Friday 12 July.

RSVP by 8 July
