On **Tuesday the 8th of October** Avocados Australia will be presenting an **Avocado Industry Afternoon** to be held at the **Mecure in Mildura** (120 Eighth Street) and all Tristate growers are invited to attend. All of Avocados Australia's (AAL's) Directors and the members of the Avocado Industry Advisory Committee (IAC) will be there so Tristate growers will be presented with a rare opportunity to engage directly with Australia's Avocado Industry leaders.

The afternoon will include the 10th Annual General Meeting, the Avocado Industry Annual Levy Payers' Meeting and an informative session featuring guest speakers Simon Newett (Principal Extension Horticulturalist at Queensland Department of Forestry and Fisheries (QDAFF)) and agronomist Lisa Martin (Director and Senior Consultant of Ripe Horticulture). The event commences at **12.30pm and finishes at 4.30pm**. Complimentary refreshments will be provided.

The presentations from Simon Newett and Lisa Martin are just a taste of what Tristate growers can expect of the Qualicado Workshop that is scheduled to follow in November. More information about the Tristate Qualicado Workshop is to follow.

For more information about the Avocado Industry Afternoon contact AAL on **07 3846 6566** or email admin@avocado.org.au.
