12 April 2016

Central Queensland study group meeting Agenda - Thursday 21 April 2016

The next Central Queensland avocado growers' study group meeting will commence at 10am next Thursday, 21 April 2016.

The day will be held at Simpson Farms 178 Coach Rd orchard, Childers and will include an afternoon farm walk.

Topics to be discussed on the day will include the latest developments in the development of the banana spotting bug pheromone trap presented by Ian Newton from NQ, results of monitoring flowering and pollination at four CQ properties in 2015, an update on the Small Tree High Productivity Initiative and a report on the amazing orchards visited last year in Peru and Chile.

[Click here](#) to view the day's program.

Morning tea and lunch will be provided but for catering purposes please **RSVP** by **Tuesday 19 April** with numbers attending to simon.newett@daf.qld.gov.au or send a text with name and numbers attending to **0400 565 784** (or leave a message).

Please let us know if you have special dietary requirements. We look forward to seeing you there.

Regards
Simon Newett
Department of Agriculture and Fisheries
