North Queensland Qualicado Workshop - Reminder

Avocados Australia's next Qualicado workshop will be held in the North Queensland growing region at the Foyster family's Aussie Orchards Growers and Packers property at Mareeba on Thursday 14 July.

According to Avocados Australia's CEO John Tyas, this year's program will cover a range of topics aimed at helping the industry to improve quality and productivity.

"Our Qualicado workshops represent a program of continuous improvement for avocado industry members," Mr Tyas said.

"Growers, packers, wholesalers, ripeners and transporters are encouraged to participate in this program because our goal is to improve fruit quality for Australian households."

North Queensland's Qualicado program and property directions can be viewed (and printed) from the Avocados Australia's website ([click here](#)).

Please RSVP to Amanda Madden on 07 3846 6566 or admin2@avocado.org.au before Monday 11 July 2016 to ensure correct numbers for catering.

Regards,
John Tyas
Avocados Australia CEO
