Avocados Australia is seeking grower feedback in order to write a submission for the backpacker tax review which Deputy Prime Minister Barnaby Joyce announced recently.

Submissions are due this Friday.

In order for us to respond, we are asking you to fill out a survey of 14 questions which should take you around 5-10 minutes to complete.

Please [click here](#) to go to the survey.

If you would also like to provide further feedback, the Government also has a survey for all areas of industry to complete. I would urge you also to consider completing this. [Click here](#).
