## Central Queensland Qualicado Workshop - Reminder

Avocados Australia's next Qualicado workshop will be held in the Central Queensland growing region at DAFQ Bundaberg Research Facility, 49 Ashfield Road, Kalkie (Bundaberg).

According to Avocados Australia's CEO John Tyas, this year's program will cover a range of topics aimed at helping the industry to improve quality and productivity.

"Our Qualicado workshops represent a program of continuous improvement for avocado industry members," Mr Tyas said.

"Growers, packers, wholesalers, ripeners and transporters are encouraged to participate in this program because our goal is to improve fruit quality for Australian households."

Central Queensland's Qualicado program and property directions can be viewed (and printed) from the Avocados Australia's website ([click here](#)).

Please RSVP to Amanda Madden on 07 3846 6566 or [admin2@avocado.org.au](mailto:admin2@avocado.org.au) before Monday 8 August 2016 to ensure correct numbers for catering.

Regards,
