## **Expressions of Interest: WA avocado committee**

Hort Innovation is seeking Expressions of Interest from suitably qualified growers and other supply chain stakeholders for the WA avocado committee.

The committee provides strategic investment advice to Hort Innovation in relation to industry research and development programs funded by industry levies and matching dollars from the Australian Government.

They are guided by the strategic priorities set out in the industry Strategic Investment Plan.

If you would like to help shape the future of the WA avocado industry, apply by using the Expression of Interest (EOI) form in the industry advice section of Hort Innovation's website.

Details on the EOI process and closing dates can also be found [here](#).

Applications will be assessed and shortlisted by a selection panel. Shortlisted candidates will be interviewed by phone. The panel will recommend the final composition to the Hort Innovation Board.

For more information or to have an EOI form sent to you, please contact Astrid Hughes on 0405 306 334 or by email at [astrid.hughes@horticulture.com.au](mailto:astrid.hughes@horticulture.com.au).
