by Monday 22 June 2015

All avocado wholesalers, ripeners and transporters in the area are invited to attend. The program includes information on ripening practices, avocado bruising and an opportunity to learn more about the Qualicado program.

Purpose of Qualicado:

Through Qualicado, support and monitoring systems are being developed to empower industry members to implement changes and track their progress in improving quality. Qualicado represents a program of continuous improvement for avocado industry members. Growers, packers, wholesalers, ripeners and transporters are encouraged to participate in this system with the overarching goal being to improve quality for the end consumer. For more information about the Qualicado program visit the Avocados Australia website (<http://industry.avocado.org.au>) and view the Grower Notice.
