

ANVAS

Application Form

The Avocado Nursery Voluntary Accreditation Scheme (ANVAS) was established in 1977 to provide superior planting material for the avocado industry. It is managed by Avocados Australia Limited to benefit Australian avocado growers.

In 2018, a major upgrade of the scheme was undertaken in collaboration with Nursery and Garden Industry Australia, now Greenlife Industry Australia (GIA).

ANVAS accreditation benefit to nurseries

- Inclusion of your business in *Talking Avocados* magazine advertisement for ANVAS nurseries every quarter
- Opportunity, exclusive to ANVAS nurseries, to advertise your business in *Talking Avocados*
- Inclusion of your business in the ANVAS nurseries listing on the *Avocado Directory* on the Avocados Australia website
- Opportunity, exclusive to ANVAS nurseries, to list your business on the *Avocado Directory*
- Annual reports of known avocado plantings across all regions in Australia

Requirements for ANVAS accreditation:

- Current NIASA accreditation, including Appendix 13 – Avocado Nursery Stock Specification accreditation
- Annual reporting to Avocados Australia of avocado plant numbers dispatched by variety and region
- Annual reporting of virus tested multiplication blocks
- Annual ANVAS fee - \$1,000 plus GST
- Agreement to the ANVAS terms and Conditions*
