Guest Speaker - Udi Gafni

Udi Gafni is the Technical Services Lead for Avocado Granot, Israel. Udi will join the 2021 Avocado Irrigation Summit group via Zoom during the dinner to present information on the avocado irrigation practices in Israel and those in orchards that he consults to in Chile, Peru, South Africa, Kenya and Australia. You are welcome to join the presentation too.

This event is part of the strategic levy investment project, Avocado industry development and extension (AV17005).

This project has been funded by Hort Innovation, using the Hort Innovation avocado research and development levy, co-investment from the Queensland Department of Agriculture and Fisheries, and contributions from the Australian Government. Hort Innovation is the grower-owned, not-for-profit research and development corporation for Australian horticulture.
